

A wellbeing experience in every room of the house, on the guest's own phone. From 250 € a month.

What it is A platform the guest opens in their browser. Five guided sessions in English, 19 to 30 minutes each: yoga, stretch, somatics, breath and rest. Alongside them, short pieces on sleep, food and daily rituals. Every level, every room, any hour.

In your design Made to be fully adaptable to your house: your colours, your logo and your welcome line. If your look changes, we change the Menu with you.

Access Your own link and QR code come with every licence, as a print file too. Put them in your app or guest directory, or let us deliver printed cards and stands with a printed insert.
